Questions & Answers:

Q1. What if I only want a CCTV-only or a Parental Webcam-only system?

A1. Our system comes complete with both functions in place. You could easily choose which functions to turn on or off at anytime.

Q2. I already have a CCTV system installed, but would like to offer Parental Webcam service to parents. Can I re-use my cameras?

A2. Yes, most CCTV cameras are compatible, and the upgrade is cost effective. Please ask us for a quote.
