#### Question & Answer:

**Q1.** Can I limit users' access to different time period?

**A1.** Yes, for example you could limit parents' access to weekdays 8am-6pm, while the cleaner's access to Sat 10am-2pm.

**Q2.** Is it easy to remove a user from the system?

**A2.** When a parent or member of staff leaves, you could easily delete he/she from the system using the software.

**Q3.** How do I cover the ongoing cost of keyfob?

**A3.** Many nurseries keep a deposit of £5 from parents to cover the cost of replacement card. When a keyfob is returned, it can be re-use again for another user.
